Bob,

In a continued effort to keep Dona Kardashian away from the Topaz building, I have instructed our security officers to redirect Ms. Kardashian away from the building (actually the whole block) any time they see her.

Furthermore, our security supervisor has informed me that he has filed a Trespass Arrest Authorization form with LAPD paving the way for her to be arrested if she has been warned to leave your property and she returns.

This morning I went to Long Beach Court to pick up the restraining order application. Attached is an application for your records. I just gave a printed copy of it to PBID Security Supervisor Donte Breaux and he is hand delivering it to your office. The form should be completed by the employer. Please let him know if you would like his assistance in completing the form. It's quite a lengthy document. Please note that each application is for one person. I'm assuming you may want to file one for Officer Brianna London since she is getting harassed the most.

Upon completing the application, I can take it back to Long Beach Court to file it for you.

I was able to get a copy of her passport to confirm her real name. Attached is a copy for your records.

We will continue to assist in helping you resolve this issue.

Best regards,

Lorena Parker
